Please note that the patient will be responsible for their in network co-pay/co-insurance and/or deductible. We do not “balance bill” patients. If a patient has an out of network insurance, we only charge the patient their IN NETWORK cost.

****Medicaid does not pay for this service for any IDTF provider, therefore we are unable to bill for our procedure. Since this is a non-covered service in Florida, special arrangements must be made in advance for Medicaid patients.** Please contact our billing department for further information at 904 268-6679.
